Dear Dr. Agard:

It is with gratitude that we record our appreciation to you and the Broken Wings Ministry for the donation of personal care items in the form of care packages to Cancer Support Services to be distributed to our patients on Ward C12 of the Queen Elizabeth Hospital, which we have adopted and are responsible for the upkeep of the said ward.

Once again, we reiterate our thanks to you and your organization for its support to the Charity and its projects. We wish the Broken Wings Ministry and by extension you and your husband, all of God's blessings throughout the remainder of 2014 and beyond as you continue your work in your community.

Sincerely,

CANCER SUPPORT SERVICES
